Parking Zone A - Bromyard Rugby Club

Bromyard Speed Festival Sunday 2nd April 2017

Directions for Zone A Parking – Bromyard Rugby Club

The town centre will be closed to traffic on Sunday 2nd April so drivers should use the appropriate road diversion routes to Bromyard Rugby Club located north of Bromyard just off the B4214 road towards Tenbury, about ½ mile from the edge of town.

Visitors travelling from A44 Worcester – Leominster Rd should take the B4203 Sherford St / Church St approach and then follow diversion signs around the Station Trading Estate to Car Park Zones A & B as indicated. At the junction with the B4214 turn right and follow signage for Zone A towards Tenbury and after approximately ½ mile there will be signpost to Bromyard Rugby Club on the right. An alternative diversion route is in place at Winslow Road off the A44 towards Leominster and visitors from Leominster or Hereford direction will be directed to that diversion that exits north onto B4214. Zone A is hard standing and there will be a shuttle bus service to bring visitors into town and back running every 10-15 minutes.
